

General League Rule (2013 summer)

1 League Format

- 1.1 C.B.C. leagues are on every Sunday, Monday and Thursday between **May 2, 2013** and **August 29, 2013 inclusive**. All lanes will be turned on 15 minutes before league starts (**9:45 a.m. for Sunday, 9:15 p.m. for Monday and 8:15p.m. for Thursday**) for bowlers to practice. The league will start at **10:00 a.m. on Sunday, 9:30 p.m. on Monday and 8:30pm on Thursday**.
- 1.2 The league will be a mixed league of 3 or 4 bowlers team with handicap. Each team can have **2 spare bowlers**. **No registration fee is required but CTF summer membership fee of \$18 will apply to bowlers do not have the 2012-13 annual CTF membership. Duplicated CTF membership payment will be refunded to bowlers participating more than one CTF league, if bowler does not pay the CTF membership fee through C.B.C, it is the bowler's responsibility to make sure the membership fee is paid through another CTF league he/she participates.** Any 3 or 4 registered bowlers in the team (including the spare bowler) can bowl in each game. The team captain will assign the designated bowlers before the scoring begins for each game. The designated bowlers and bowler order for each game cannot be changed after scoring has begun. Please note even if two bowlers have the same average, the bowler order cannot be interchanged.
- 1.3 Any bowler (including spare bowlers registered in this league) who is not scheduled to bowl with his/her own team may not substitute on any other short-handed team.
- 1.4 A bowler who has competed with a team in this league and whose scores have counted in deciding games may transfer membership to another team in the league during the season provided the transfer is approved by the League Executives. There will be no transfer after **(Friday) July 19, 2013**.
- 1.5 All bowlers must be members of C.B.C. and CTF.

2 Handicap, Absent and Dummy Score

- 2.1 All scores for the first week will be used to calculate bowler averages and handicaps. The averages for the first week will be determined as follows:
 - 2.1.1 The highest current C.B.C. average with 21 games or more, from last season, will be used. If there is no current C.B.C. average, then the highest C.B.C. average in the past 2 years will be used.
 - 2.1.2 If the bowler does not have an average in our C.B.C. record, then the highest average from the **2011-12 / 2012-13 CTF yearbook** will be used.
 - 2.1.3 For bowlers who do not have averages determined from the above 2 criteria, averages will be assigned as follows and their averages will be adjusted after 3 games

2.1.3.1	Men	-	40 pins (based on the average of 170)
2.1.3.2	Women	-	48 pins (based on the average of 160)
- 2.2 The team handicap is to be the total of the **3** or 4 designated bowlers' individual handicaps. **Individual handicaps will be 80% of the difference between individual average and 220**. No handicap is assigned for dummy scores. For **men** only, the **maximum handicap** will be **50** pins, whereas for **ladies**, there is **no maximum handicap**.
- 2.3 Average will be adjusted at the end of the league, including playoff.

General League Rule (2013 summer)

- 2.4 If any bowler is absent from a team without a roll-off score, an **absent score of 180** (with no handicap) will be used.
- 2.5 If there is any dummy team in the league, a **dummy score of 205** will be used.
- 2.6 "Ten-Pin-Drop" rule applies. Ten-Pin-Drop rule is based on the league starting average of the bowler.

3 Championship Point Scoring System

The League is in Semi-Classics Format.

- 3.1 Each bowler will compete with another bowler in the opposite team for points. The bowler line up for each game will be in ascending order of the bowler average (to decimal point), i.e. the bowler with the lowest average will bowl against the bowler with the lowest average in the other team, second lowest will bowl with the second lowest in the opposite team, etc. Please note that even if 2 bowlers have the same average, the bowler order cannot be interchanged.
- 3.2 A bowler who is substituted cannot return to bowl in subsequent games within the same day, that is, a bowler, who bowls in the first game and is replaced by a spare bowler in the second game, cannot return to bowl in the third game.
- 3.3 New bowlers may be added to the league only with the approval of the League Executives. Bowler line-up cannot be changed after **July 19, 2013 (Friday)**. Initial handicaps will be calculated based on section 2.2. **Drop-out bowler cannot re-enter to the same team.**
- 3.4 The bowler line up must be re-arranged if there is a change of bowler from one game to another, i.e. if the spare bowler substitutes one of the bowlers in the second game.
- 3.5 **Absent bowler(s) must be placed in the beginning of the team line up**, i.e. bowler(s) with the lowest average will bowl against an absent score of 180 for championship point.

- 5.11 **All bowlers require a verified average (C.B.C. league average of 21 games * current or past 2 years) to compete in any position round of Championship or play-off series, unless otherwise announced by the league manager prior to the start of the league; bowler/ bowlers without verified average will bowl with '0' handicap.**
