

General League Rule (2014 summer)

1 League Format

- 1.1 C.B.C. leagues are on every Sunday, Monday, Tuesday and Thursday between **May 1, 2014** and **August 28, 2014 inclusive**. All lanes will be turned on 15 minutes before league starts for bowlers to practice. The league will start at **10:00 a.m. on Sunday, 9:30 p.m. on Monday and Tuesday Fun league, Thursday at 9 p.m.**
- 1.2 The league will be a mixed league of 3 or 4 bowlers team with handicap. Each team can have **2 spare bowlers**. **No registration fee is required but CTF summer membership fee of \$18 will apply to bowlers do not have the 2013-14 annual CTF membership (except for non-sanctioned Tuesday Fun League).** **Bowlers need to show their 13-14 CTF membership cards at league registrations to receive exemption of the summer CTF membership fee.** Duplicated CTF membership payment will be refunded to bowlers participating more than one CTF league, if bowler does not pay the CTF membership fee through C.B.C, it is the bowler's responsibility to make sure the membership fee is paid through another CTF league he/she participates. Any 3 or 4 registered bowlers in the team (including the spare bowler) can bowl in each game. The team captain will assign the designated bowlers before the scoring begins for each game. The designated bowlers and bowler order for each game cannot be changed after scoring has begun. Please note even if two bowlers have the same average, the bowlers' order cannot interchange.
- 1.3 Any bowler (including spare bowlers registered in this league) who is not scheduled to bowl with his/her own team may not substitute on any other short-handed team.
- 1.4 A bowler who has competed with a team in this league and whose scores have counted in deciding games may transfer membership to another team in the league during the season provided the transfer is approved by the League Executives. There will be no transfer after July 18, 2014 (Friday).
- 1.5 All bowlers must be members of C.B.C. and CTF.

2 Handicap, Absent and Dummy Score

- 2.1 All scores for the first week will be used to calculate bowler averages and handicaps. The **averages for the first week will be determined as follows:**
 - 2.1.1 The **highest 2013-14 CTF yearbook average of at least 21 games** will be used.
 - 2.1.2 If the average from the above criteria is not available, the **highest 2012-13 CTF yearbook average of at least 21 games** will be used.
 - 2.1.3 **2013 CTF year book summer league average of at least 21 games will be used if any of the above 2 criteria is not available.**
 - 2.1.4 **For bowlers who do not have averages determined from the above 3 criteria, averages will be assigned as follows and their averages will be adjusted after 3 games**
 - 2.1.4.1 **Men - 40 pins (based on the average of 170)**
 - 2.1.4.2 **Women - 48 pins (based on the average of 160)**
 - 2.1.5 **Exception for Tuesday Cash League at World Bowl due to different handicap calculation.**
 - 2.1.5.1 **Men - 51 pins (based on the average of 170)**
 - 2.1.5.2 **Women - 59 pins (based on the average of 160)**

General League Rule (2014 summer)

- 2.2 The team handicap is to be the total of the 3 or 4 designated bowlers' individual handicaps. Handicap calculation will base on each individual league format (see league format on website). Individual handicaps will be 80% of the difference between individual average and 220
- 2.3 For all 3 leagues except Tuesday Cash league, maximum handicap for men will be 60 pins, and no maximum cap for ladies handicap.
- 2.5 Average will be adjusted at the end of the league, including playoff.
- 2.6 Absent score calculation will be using the average of 'the lowest average absent bowler' minus 15 pins then plus handicap. Absent bowlers will stay at the position of the regular line up. Absent bowlers will receive match point.
- 2.7 If there is any dummy team in the league, opposite team bowlers have to bowl their own averages or above to receive head to head match point. Team game point will be earned by bowling the sum or more of the 3 bowlers' average total. To receive team series points, it will be the matching of the sum of the 3 bowlers' averages x 3 or above. That is all match points received are based on scratch scores.
- 2.8 "Ten-Pin-Drop" rule applies. Ten-Pin-Drop rule is based on the league starting average of the bowler.

3 Match Point Scoring System

The League is in Semi-Classics Format.

- 3.1 Each bowler will compete with another bowler in the opposite team for points. The bowler line up for each game will be in ascending order of the bowler average (to decimal point), i.e. the bowler with the lowest average will bowl against the bowler with the lowest average in the other team, second lowest will bowl with the second lowest in the opposite team, etc. Please note that even if 2 bowlers have the same average, the bowler order cannot be interchanged.
- 3.2 A bowler who is substituted cannot return to bowl in subsequent games within the same day, that is, a bowler, who bowls in the first game and is replaced by a spare bowler in the second game, cannot return to bowl in the third game.
- 3.3 New bowlers may be added to the league only with the approval of the League Executives. Bowler line-up cannot be changed after July 18, 2014 (Friday). Initial handicaps will be calculated based on section 2.2. Drop-out bowler cannot re-enter to the same team.
- 3.4 The bowler line up must be re-arranged if there is a change of bowler from one game to another, i.e. if the spare bowler substitutes one of the bowlers in the second game.
- 3.5 Absent score vs absent score will split the match point.
- 3.5 Dummy team will not receive any match point.
- 3.6 Match Points calculations for all leagues, calculated with handicaps:
Individual game – 1 point per bowler (total of 9 points between 2 teams)
Team game total – 1 point per game (total of 3 points between 2 teams)
Series (9 games total) – 2 points
Championship points will be split equally if there is a tie.

General League Rule (2014 summer)

- 3.7 **Bonus Points calculations for all leagues, base on scratch scores:**
1 pin over team average total receive 1 point
31 pins over team average total receive 2 points
61 pins over team average total receive 3 points
- 3.8 If there is a **tie in League Champion, each member in both teams will bowl one additional game (tie-breaker)**. The scoring of the tiebreaker game will be the same as regular game in the series, and will be used to determine the winner. **If a tie still exists at the end of the tiebreaker game, additional tiebreaker frame(s) shall be bowled by both teams until the winner is determined. One tenth of the handicap (round down) for one game shall be assigned to each additional frame.**
- 3.9 If there is a tie in any other winning positions, both teams will be considered as equal winner. The prize money will be split between the two teams.
- 3.10 **If there is a tie in teams accumulated match points at the end of the regular season, the total pin fall will be used to determine the positioning of the teams. This is the guide for which division the teams will be bowling in the Championship Round. In case of a tie exist in the pin fall, tiebreaker frame(s) shall be bowled by both teams until the winner is determined. One tenth of the handicap (round down) for one game shall be assigned to each additional frame.**
- 3.11 To qualify for any match point, a minimum of one-bowler score per team is required each week. Roll-off (advance) scores are acceptable. Scores of the team member who bowls in the incomplete team will qualify for individual prize

4 Roll-off

- 4.1 Bowlers will be allowed to "roll-off" during league time (**any C.B.C. sanctioned league in the same centre**) for league games. The set of score bowled at league time will be used as the "roll-off" score for the designated weeks and dates.
- 4.2 Roll-off request must be made to the league official within the first 4 frames of the first game. Bowler must specify the designated league(s) and date(s) that the roll-off score will apply.

- 4.6 There will be no substitute for the "roll-off" score, i.e. the "roll-off" score will count even if the spare, or "roll-off" bowler is available.
- 4.7 The pin-counts of each game bowled in a "roll-off" will be the littlest of 110% of the bowler's league average (plus handicap) or the actual pin-counts (plus handicap). Roll-off scores are not qualified for any individual prize.
- 4.8 Roll-off games must be bowled consecutively on the same pair of lanes, otherwise the scores may not be accepted.
